

EPSPCCC Playgroup's Preschool

Covid-19 Recovery Stages

For the Safety and Health of our entire Playgroup community, we have generated a staged approach to lifting current Covid-19 school policies. We hope to move towards pre-Covid normalcy by continuing to follow the guidance of the Los Angeles County Public Health Department, CDC, and our CA Licensing agency. Face masks are still strongly recommended in our Child Care sector, therefore Playgroup will continue to require all persons entering our school grounds to wear a non-cloth face mask, until the guidance changes to “low-risk,” or “optional” for the Child Care Sector.

*Please know that all listed dates may change depending on how Covid-19 continues to evolve. In the event that Covid-19 cases begin to rise again or Public Health guidance changes we will adhere to our current Covid-19 policies.

Stage 1

As of March 28th, 2022* we will begin mixing our children groups. This means that all students will share the outdoor playground areas, during morning drop-offs, afternoon pick-up, and throughout the day. We will continue to prioritize learning and playing outdoors.

Children will remain in their groups for all meals and small group activities.

Face Masks will still be required as they allow staff and students to forgo physical distancing. As a school we have found that mask wearing helps children in being able to freely socially interact with each other.

Non-cloth face Masks will still be required indoors and outdoors.

We will continue weekly testing for staff and students, testing policy still active.

We will continue to do wellness/temperature checks in the morning at drop off.

Stage 2

September 6th, 2022 *we will resume our regular closing time of 6:00pm. We will begin operating from 7:30am-6:00pm.

Non-cloth face Masks will still be required indoors and outdoors.

We will continue weekly testing for staff and students, testing policy still active.

We will continue to do wellness/temperature checks in the morning at drop off.

Stage 3

Date TBD: Parents/guardians will be allowed in our grounds and facility. Please note that parents/guardians have the right to come into our facility at any time, however due to our Covid mitigation efforts, we respectfully request that you refrain from doing so for the time being.

We will discontinue morning temperature checks at drop off. Sign-in/Sign-out sheets will now be located in the rear playground space.

Non-cloth face Masks still required indoors and outdoors.

We will continue weekly testing for staff and students.

Stage 4

Date TBD

Masking will be optional for all staff, students, and parents.

Weekly testing will be optional for both staff and students.
